

A map of the United States where each state is shaded in grayscale to represent the percentage weight of the 'Other' category. The shading ranges from light gray (low percentage) to dark gray/black (high percentage). States like California, Texas, and several in the Northeast and Midwest are darker, indicating higher 'Other' percentages. Many states in the West and South are lighter, indicating lower 'Other' percentages.

% Weight

Color Intensity	Percentage Weight
Lightest Gray	0
Light Gray	4
Medium Gray	8
Dark Gray	12
Black	16
